What Do I Do Now? The Secrets of a Midlife Reboot

The Real Brass Ring takes *The Secret* on a high-speed road test in a tale of midlife transformation in the real, flesh-and-blood world of contemporary Chicago. It is the story of a "midlife reboot," a raw, unfiltered journey of enlightenment that illustrates a woman's daunting personal reinvention and the rewards of fearlessly pursuing a life's true calling. After a jolting encounter with internationally known psychic and author Sonia Choquette, Dianne Bischoff James is forced to face the truth about her life. Sonia's words cut like a knife: Dianne, you are a talented writer, healer, teacher and performer. But sadly your life is heading down the wrong path. Your brass ring is coming by and you need to grab it before it's too late. You have modeled yourself after your parents' desires. You are completely stuck in the make-believe role of being a "good girl." You live with depression because nothing about your life is your own. "Fix your ways or soon it will be too late. Dianne had achieved an impressive education, an accomplished entrepreneurial career, a busy family life and social status; yet somehow, she had completely missed "the

real brass ring. Although she had had a perfectly "traditional" background, her marriage was a sham, career uninspiring, health failing and self-esteem and spirituality non-existent. At 38, it was as if she had awakened to a nightmare: she had been living a profound lie. Finding herself completely off-track, Dianne openly bares her soul and utilizes the metaphysical principles of *The Secret* to set out to change every aspect of her existence. She insists that she is worthy of an authentic romantic relationship and initiates the break-up of her marriage, with three children in tow; and dives into midlife "cougar" dating, including a close call with a charming but dangerously abusive alcoholic. By experimenting with the Law of Attraction, she also launches the acting career she had always dreamed of as a child and surprises even herself with success in an extremely competitive arena. Gradually, yet boldly, Dianne also faces other critical issues, including physical afflictions, a terrifying financial recession and the death of a loved one — removing each daunting roadblock one by one and manifesting a newly-created self. "I'd approached every change as a free fall, diving through the air and grabbing at brass rings along the way," Dianne writes. "I'd made more mistakes than I could even count, but I also absorbed the painful, yet innately valuable teachings — Now, I had what I wanted all along, emotional peace, love, a uniquely sculpted family unit, an outlet for my creativity and a new life in hand — This was the picture Sonia painted for me on my 38th birthday — it just took me over a decade to erect the living model from the shadows." By chronicling her own personal reinvention with grit, humor, incisiveness and compassion in *The Real Brass Ring*, Dianne provides the inspiration and passion others need to reclaim their authentic self. #1 New York Times best-seller with more than 11 million copies sold and Amazon's #17 best-selling book of all time. *Heaven Is for Real* was the best-selling non-fiction book of 2011 as reported by Nielsen's Bookscan, and was developed as a major motion picture by Sony in 2014. "Do you remember the hospital, Colton?" Sonja said. "Yes, mommy, I remember," he said. "That's where the angels sang to me." When Colton Burpo made it through an emergency appendectomy, his family was overjoyed at his miraculous survival. What they weren't expecting, though, was the story that emerged in the months that followed—a story as beautiful as it was extraordinary, detailing their little boy's trip to heaven and back. Colton, not yet four years old, told his parents he left his body during the surgery—and authenticated that claim by describing exactly what his parents were doing in another part of the hospital while he was being operated on. He talked of visiting heaven and relayed stories told to him by people he met there whom he had never met in life, sharing events that happened even before he was born. He also astonished his parents with descriptions and obscure details about heaven that matched the Bible exactly, though he had not yet learned to read. With disarming innocence and the plainspoken boldness of a child, Colton tells of meeting long-departed family members. He describes Jesus, the angels, how "really, really big" God is, and how much God loves us. Retold by his father, but using Colton's uniquely simple words, *Heaven Is*

for Real offers a glimpse of the world that awaits us, where as Colton says, "Nobody is old and nobody wears glasses." Heaven Is for Real will forever change the way you think of eternity, offering the chance to see, and believe, like a child. Continue the Burpos story in Heaven Changes Everything: The Rest of Our Story. Heaven Is for Real also is available in Spanish, El cielo es real. Sometimes, you need advice from people other than your parents, and Now What has all the advice and guidance one needs to enter the challenges of the real world. I have spoken at college campuses and can't believe how many students have no goals or any idea on what to do upon graduation. Now What covers topics such as interview preparation, setting goals, not letting anyone get in the way of your career, never to play with scared money, being the best at every job you have, be a great listener, be memorable, dress for success, investing advice, be highly creative, be a player not a victim, maintaining a positive attitude, not being afraid to fail, being decisive, and paying it forward to name a few. When I graduated West Virginia University in 1979, I started my first job out of college at WPLJ / New York City and showed up my first day in platform shoes and a plaid sport coat and basically got laughed at by my coworkers because I wasn't shown the way. This book will inspire you to take action and live the very best life you can live. Get out there and show them what you are made of and how special you are! There's a story behind every apartment sale, every building development, and each real estate transaction in New York City. And many of those stories involve the uber-wealthy behaving badly-the blood sport that is New York real estate is defined by billion-dollar feuds. **THE NEW KINGS OF NEW YORK: Renegades, Moguls, Gamblers and the Remaking of the World's Most Famous Skyline**, by journalist Adam Piore (The Real Deal; April 12, 2022; hardcover \$29.95), charts the extraordinary transformation of America's greatest city from a near-bankrupt urban combat zone into the land of Billionaires' Row and Hudson Yards-a luxury playground for the global 1 percent-and provides an inside look at the bombastic developers behind the biggest real estate deals of this century. The first two decades of the twenty-first century were a giddy, hyperbolic era of dizzying highs and deep, dark lows. The headlines told the story: the largest residential and commercial development in North America, the largest condo conversion in the history of the world, the most expensive penthouse sale in the city, the most lucrative office skyscraper sale in history, the tallest condo ever built. Yet 2020 brought in a new era: 95 percent of Manhattan's office space sat empty amid a pandemic, retail stores were boarded up, and restaurants went belly-up. **THE NEW KINGS OF NEW YORK** offers a behind-the-scenes picture of what it's like to operate at the highest levels of the industry, and how some of the skyline-transforming deals were accomplished. And it features the larger-than-life characters behind the deals. Written and published by the team behind The Real Deal, New York's preeminent real estate-focused publication, **THE NEW KINGS OF NEW YORK** is a book about the history of the city, the dawn of New York real estate's second gilded age, the opportunists who sought to exploit it, and the adventures they had along the way. It is a look at where we have come from as we consider where to go next. A finalist for the PEN Center USA Award for Nonfiction *Welcome to Paradise, Now Go to Hell*, is surfer and former war reporter Chas Smith's wild and unflinching look at the high-stakes world of

surfing on Oahu's North Shore—a riveting, often humorous, account of beauty, greed, danger, and crime. For two months every winter, when Pacific storms make landfall, swarms of mainlanders, Brazilians, Australians, and Europeans flock to Oahu's paradisiacal North Shore in pursuit of some of the greatest waves on earth for surfing's Triple Crown competition. Chas Smith reveals how this influx transforms a sleepy, laid-back strip of coast into a lawless, violent, drug-addled, and adrenaline-soaked mecca. Smith captures this exciting and dangerous place where locals, outsiders, the surf industry, and criminal elements clash in a fascinating look at class, race, power, money, and crime, set within one of the most beautiful places on earth. The result is a breathtaking blend of crime and adventure that captures the allure and wickedness of this idyllic golden world. The question of nation building has enjoyed currency in the discourse about the general development of countries around the world. Its global importance could be discerned in two different areas; nation-building as applied to efforts aimed at rebuilding a country after a war as in Bosnia, Iraq, Afghanistan, and so on; and nation-building with regard to efforts aimed at dealing with the sobering realities of failed or failing countries whose populations have been exploited, abused and mismanaged almost to the point of extinction. As can, and should be expected, Nigeria and Nigerians, at home and abroad, have not been exempt from these discourses especially in the past few years as the country's nascent and fledgling (?) democracy became embarrassingly threatened to the point of abortion within Nigeria and the international community of nations. In one's sober moments, the realisation that Nigeria is fast becoming another failed state procures rather scary thoughts. "Thoughtfully traces [Mara Wilson's] journey from child actress to Hollywood dropout...Who is she now? She's a writer." —NPR's "Guide To 2016's Great Reads" —Growing up, I wanted to be Mara Wilson. Where Am I Now? is a delight. —Ilana Glazer, cocreator and star of Broad City Named a best book of the month by GoodReads and Entertainment Weekly A former child actor best known for her starring roles in Matilda and Mrs. Doubtfire, Mara Wilson has always felt a little young and out of place: as the only kid on a film set full of adults, the first daughter in a house full of boys, a Valley girl in New York and a neurotic in California, and a grown-up the world still remembers as a little girl. Tackling everything from what she learned about sex on the set of Melrose Place, to discovering in adolescence that she

was no longer "cute" enough for Hollywood, these essays chart her journey from accidental fame to relative (but happy) obscurity. They also illuminate universal struggles, like navigating love and loss, and figuring out who you are and where you belong. Candid, insightful, moving, and hilarious, *Where Am I Now?* introduces Mara Wilson as a brilliant new chronicler of the experience that is growing up female. Utilizes a physical, mental, and emotional self-appraisal to provides a thirty-day plan to preparing for love and discovering a soul mate. Truth and lies are two sides of the same coin. But who's flipping it? A thought-provoking and brilliantly entertaining work of nonfiction from one of the world's leading deceivers, the creator and star of the astonishing theater show and forthcoming film *In & Of Itself*. Derek DelGaudio believed he was a decent, honest man. But when irrefutable evidence to the contrary is found in an old journal, his memories are reawakened and Derek is forced to confront--and try to understand--his role in a significant act of deception from his past. Using his youthful notebook entries as a road map, Derek embarks on a soulful, often funny, sometimes dark journey, retracing the path that led him to a world populated by charlatans, card cheats, and con artists. As stories are peeled away and artifices are revealed, Derek examines the mystery behind his father's vanishing act, the secret he inherited from his mother, the obsession he developed with sleight-of-hand that shaped his future, and the affinity he felt for the professional swindlers who taught him how to deceive others. And once he finds himself working as a crooked dealer in a big-money Hollywood card game, Derek begins to question his own sense of morality, and discovers that even a master of deception can find himself trapped inside an illusion. *A M O R A L M A N* is a wildly engaging exploration of the fictions we live as truths.
