A Clash of Kings: The Graphic Novel: Volume Three Mar 09 2021 Tensions rise as a divided kingdom falters in this third volume of a four-part, full-color graphic novel adaptation of the second book in George R. R. Martin's landmark Song of Ice and Fire series, the inspiration for HBO's Game of Thrones. New York Times bestselling author Landry Q. Walker and illustrator Mel Rubi continue to serve up a feast in this penultimate volume. In the south, Renly is dead at his brother's hand, but even as Stannis seeks a way to subdue Renly's hold of Storm's End, Tywin Lannister continues his march toward King's Landing, harried by the forces of Robb Stark and Edmure Tully. As Robb wins victory after victory, his sister Arya finds her own small way to turn the tides against the Lannister forces from her secret place inside Harrenhal—while back at Winterfell, their brother Bran is about to discover the true meaning of his prophetic dreams. Meanwhile, beyond the Wall, Jon Snow is chosen for a very special mission, and in sun-drenched Qarth, Daenerys Targaryen enters the House of the Undying. And so the pieces slowly shift into place, setting the stage for the explosive final volume as king at last clashes with king. This stunning graphic novel brings George R. R. Martin's landmark series to vivid life and is a must-read for any series fan.

A Clash of Kings: The Graphic Novel: Volume One Feb 20 2022 The first volume of a four-part, full-color graphic novel adaptation of the second book in George R. R. Martin's landmark Song of Ice and Fire series, the inspiration for HBO's Game of Thrones. The four-part graphic novel adaptation of A Game of Thrones proved that George R. R. Martin's A Song of Ice and Fire has the power to enchant in any medium. Now the story continues as New York Times bestselling author Landry Q. Walker and illustrator Mel Rubi introduce a thrilling new series based on the second book in the landmark saga. Time is out of joint. The summer of peace and plenty, ten years long, is drawing to a close, and the harsh, chill winter approaches like an angry beast. Two great leaders—Lord Eddard Stark and King Robert Baratheon—who held sway over an age of enforced peace are dead, victims of royal treachery. Now, from the ancient citadel of Dragonstone to the forbidding walls of Winterfell, chaos reigns as pretenders to the Iron Throne of the Seven Kingdoms prepare to stake their claims through tempest, turmoil, and war. As a prophecy of doom cuts across the sky—a comet the color of blood and flame—six factions struggle for control of a divided land. Eddard's son Robb has declared himself King in the North. In the south, Joffrey, the heir apparent, rules in name only, victim of the scheming courtiers who teem over King's Landing. Robert Baratheon's two brothers each seek his own dominion, while a disfavored house turns once more to conquest. And a continent away, an exiled queen, the Mother of Dragons, risks everything to lead her precious brood across a hard, hot desert to win back the crown that is rightfully hers. Against a backdrop of incest and fratricide, alchemy and murder, the price of glory may be measured in blood. And the spoils of victory may just go to the men and women possessed of the coldest steel . . . and the coldest hearts. For when rulers clash, all the land feels the tremors.
