Heart of Darkness Oct 20 2021 In a novella which remains highly controversial to this day, Conrad explores the relations between Africa and Europe. On the surface, this is a horrifying tale of colonial exploitation. The narrator, Marlowe journeys on business deep into the heart of Africa. But there he encounters Kurtz, an idealist apparently crazed and depraved by his power over the natives, and the meeting prompts Marlowe to reflect on the darkness at the heart of all men. This short but complex and often ambiguous story, which has been the basis of several films and plays, continues to provoke interpretation and discussion. Heart of Darkness grew out of a journey Joseph Conrad took up the Congo River; the verisimilitude that the great novelist thereby brought to his most famous tale everywhere enhances its dense and shattering power. Apparently a sailor's yarn, it is in fact a grim parody of the adventure story, in which the narrator, Marlow, travels deep into the heart of the Congo where he encounters the crazed idealist Kurtz and discovers that the relative values of the civilized and the primitive are not what they seem. Heart of Darkness is a model of economical storytelling, an indictment of the inner and outer turmoil caused by the European imperial misadventure, and a piercing account of the fragility of the human soul.

An Unnecessary Woman Sep 06 2020 A happily misanthropic Middle East divorcee finds refuge in books in a "beautiful and absorbing" novel of late-

life crisis (The New York Times). Aaliya is a divorced, childless, and reclusively cranky translator in Beirut nurturing doubts about her latest project: a 900-page avant-garde, linguistically serpentine historiography by a late Chilean existentialist. Honestly, at seventy-two, should she be taking on such a project? Not that Aaliya fears dying. Women in her family live long; her mother is still going crazy. But on this lonely day, hour-by-hour, Aaliya's musings on literature, philosophy, her career, and her aging body, are suddenly invaded by memories of her volatile past. As she tries in vain to ward off these emotional upwellings, Aaliya is faced with an unthinkable disaster that threatens to shatter the little life she has left. In this "meditation on, among other things, aging, politics, literature, loneliness, grief and resilience" (The New York Times), Alameddine conjures "a beguiling narrator . . . who is, like her city, hard to read, hard to take, hard to know and, ultimately, passionately complex" (San Francisco Chronicle). A finalist for the National Book Critics Circle Award and the National Book Award, *An Unnecessary Woman* is "a fun, and often funny . . . grave, powerful . . . [and] extraordinary" (Washington Independent Review of Books) ode to literature and its power to define who we are. "Read it once, read it twice, read other books for a decade or so, and then pick it up and read it anew. This one's a keeper" (The Independent)

*Hollywood Mission* Nov 08 2020 " ... tells the true story of Steve Cha, a Christian who infiltrated Hollywood with the purpose of carrying out one mission: to bring the light of salvation to those entrapped by the powers of darkness."--Page 4 of cover.

No More Bullies Apr 25 2022 If you've ever been there, you've never forgotten how it feels. It's being undersized or oversized or less than beautiful. It's knowing you are vulnerable and that someone is ready to take advantage of your weakness. It's the fraternity you never wanted to join—the fellowship of the wounded spirit. And Frank Peretti is a member, too. In this powerful book, Frank Peretti shares his deeply personal story of growing up different, and the persecution he suffered because of it. And from this reservoir of memories he urges: those being abused to speak up and seek help those in authority to take notice— and action the "strong" kids to stand up and protect the weak— not prey upon them all of us to stop thinking of abuse as "normal" or as "kids being kids" This groundbreaking work shows how we all - bullies and victims alike - can find both healing and forgiveness from the anguish and torment associated with the growing epidemic of bullying.

Heart of Darkness Feb 09 2021 Selected by the Modern Library as one of the 100 best novels of all time • Nominated as one of America's best-loved novels by PBS's The Great American Read Introduction by Caryl Phillips Commentary by H. L. Mencken, E. M. Forster, Virginia Woolf, Ernest Hemingway, Bertrand Russell, Lionel Trilling, Chinua Achebe, and Philip Gourevitch Originally published in 1902, Heart of Darkness remains one of this century's most enduring works of fiction. Written several years after Joseph Conrad's grueling sojourn in the Belgian Congo, the novel is a complex meditation on colonialism, evil, and the thin line between civilization and barbarity. This edition contains selections from Conrad's Congo Diary of 1890—the first notes, in effect, for the novel, which was composed at the end of that decade. Virginia Woolf wrote of Conrad: "His books are full of moments of vision. They light up a whole character in a flash. . . . He could not write badly, one feels, to save his life."

Out of Darkness, Shining Light Apr 13 2021 "Engrossing, beautiful, and

deeply imaginative" (Yaa Gyasi, author of *Homegoing*), this epic novel about the explorer David Livingstone and the extraordinary group of Africans who carry his body across impossible terrain "illuminates the agonies of colonialism and blind loyalty" (*O, The Oprah Magazine*). "This is how we carried out of Africa the poor broken body of...David Livingstone, so that he could be borne across the sea and buried in his own land." So begins Petina Gappah's "searing...poignant" (*Star Tribune, Minneapolis*) novel of exploration and adventure in 19th-century Africa—the captivating story of the African men and women who carried explorer and missionary Dr. Livingstone's body, papers, and maps, fifteen hundred miles across the continent of Africa, so his remains could be returned home to England and his work preserved there. Narrated by Halima, the doctor's sharp-tongued cook, and Jacob Wainwright, his rigidly pious secretary, this is a "powerful novel, beautifully told" (Jesmyn Ward, author of *Sing, Unburied, Sing*) that encompasses all of the hypocrisy of slavery and colonization—the hypocrisy of humanity—while celebrating resilience, loyalty, and love.

Modernist Women Writers and Spirituality July 03 2020 Concentrating on female modernists specifically, this volume examines spiritual issues and their connections to gender during the modernist period. Scholarly inquiry surrounding women writers and their relation to what Wassily Kandinsky famously hoped would be an 'Epoch of the Great Spiritual' has generated myriad contexts for closer analysis including: feminist theology, literary and religious history, psychoanalysis, queer and trauma theory. This book considers canonical authors such as Virginia Woolf while also attending to critically overlooked or poorly understood figures such as H.D., Mary Butts, Rose Macaulay, Evelyn Underhill, Christopher St. John and Dion Fortune. With wide-ranging topics such as the formally innovative poetry of Stevie Smith and Hope Mirrlees to Evelyn Underhill's mystical treatises and correspondence, this collection of essays aims to grant voices to the most forgotten female voices of the modernist period, showing how spirituality played a vital role in their lives and writing.
